To the Employees of the Vermont Veterans' Home,

To say I am proud of your accomplishments during this most recent survey is an understatement. Since my appointment as the President of the Board, which I must say was during tumultuous times, I have had the pleasure of seeing you come together as a team.

The final results of the survey did not come to me as a surprise, but as a relief and vindication of your everyday efforts. As you are well aware, I visit the Home frequently. This high level of care and support to our Veterans and Members is exactly what I observe each and every day. It is extremely gratifying to see you recognized for your efforts, it is wonderful.

I would like to capitalize on this opportunity to bring us all a little closer **together**. Widen the lines of communication **together**. And show to all, we are the finest Veteran's Home in the Country; **together**.

My thanks and gratitude!
