We all know that we observe Memorial Day in May but did you know that May also has other military observances? May is the month of the Military Caregiver. Per the Elizabeth Dole Foundation, 5.5 million individuals are caring for our current military members and Veterans. This caregiver role is often unpaid help done by family and friends. The Hidden Heroes Campaign from the Dole Foundation strives to provide those caregivers with the information and resources needed to help them take care of themselves as well as their wounded or ill military member. More information on the Hidden Heroes Campaign can be found at www.hiddenheroes.org

The month of May is also National Military Appreciation Month (NMAM). NMAM encourages all U.S. citizens to observe the month as a symbol of unity by honoring current and former members of the U.S. Armed Services including those who died in the pursuit of freedom.

Silver Star Banner Day is May 1st. This day recognizes those who have been awarded the Silver Star Medal, which is the third-highest military decoration for valor in combat. VE Day is May 8th which honors and remembers our victory in Europe and the end of WWII.

Friday, May 10th is Military Spouses Appreciation Day; this is usually celebrated the Friday before Mother's Day. This day honors military spouses and the vital role military families play in keeping the Armed Forces strong.

The final military observance in May is Armed Forces Day celebrated the third Saturday in May, this year May 18th. This day honors everyone serving in the U.S. Military. The day is meant to remind citizens to come together and thank our military members for their patriotic service to our country.

Please take some time this month to thank our current and former members of the military for their service. Take some time on Memorial Day to remember all the brave men and women who served our country and those who made the ultimate sacrifice for our freedom.

“Lest we forget…”

Dear VVH Friends,

John 15:13 declares: “Greater love hath no man than this, that a man lay down his life for his friends.” On our annual celebration of Memorial Day, we are reminded of that supreme sacrifice that others have given on behalf of their fellow citizens. Countless numbers, unknown and often unnamed, have made that sacrifice. The Nation is forever in their debt. The history of this very important date on our Nation’s calendar dates back to the close of the American Civil War. It seems that on April 25, 1866 some ladies of the city of Columbus, Mississippi began the practice of laying flowers on the graves of both the Union and Confederate dead in the city’s Friendship Cemetery. Thus, it is here that the claim is laid for this observance to be the first "Decoration Day,” as Memorial Day was once called. It was here as well, that the wounds and divisions of that conflict began to heal. What a powerful testimony to the spirit of forgiveness and reconciliation these women gave to the nation. They reached beyond their own loss and pain to honor those once seen as the foe. It was Lincoln who once said: “Do I not destroy my enemies when I make them my friends?”

Memorial Day is a day of looking back in thanks and looking forward in anticipation. What better way to observe that sacrifice, than to commit ourselves to lives of forgiveness and reconciliation. Again, as Lincoln once wrote: “The mystic chords of memory, stretching from every battlefield and patriot grave to every living heart and hearthstone all over this broad land, will yet swell the chorus of the Union, when again touched, as surely they will be, by the better angels of our nature.”

Grace & Peace,

Chaplain Richard

SMOKING POLICY

Per State and Federal Regulations, all Veterans and Members who smoke at VVH must have a smoking assessment completed. At no time may VVH nursing home residents keep a lighter, matches, etc. in their rooms.

These must be kept with their nurse. Cigarettes may be left with the Veteran or Member as outlined in their smoking assessment. Please check with your loved one’s nurse prior to leaving any cigarettes in their rooms.

On Saturday, April 6, 2019 the 50th Anniversary of the Vietnam War was remembered with a Flag Raising ceremony. Veterans and Members and the Bennington community participated in the observance. The main entrance to the VVH is lined with the flags, which are symbolic of the Vietnam Veterans who had served between November 1, 1955 and April 30, 1975.

QAPI CORNER  From Quality Assurance—Karen Divis, Quality Assurance  Nurse

This month’s QAPI Plan discusses our GUIDING PRINCIPLES

1. QAPI participation includes an interdisciplinary team involving all employees, Veterans/Members, family and Board members representing all departments and services.
2. We strive for continuous improvement in the delivery of our services so that our Veterans/Members experience the highest quality of care and quality of life permitted by their health status.
3. QAPI uses industry standards of practice to establish performance measures.
4. QAPI will support a system whereby Veterans/Members may choose the care that is most important to them.
5. A priority is the respect for care preferences expressed by our Veterans/Members.

We feel it is very important to provide those things that are important to our Veterans/Members and not what we feel it should be. Many times, those living in nursing homes feel they cannot make choices anymore and that is not true here at VVH. This is their home and we feel they should make choices as they would have made and then we try to meet those needs to the best of our ability.

We also strive to be the best. To provide the very best for Veterans/Members. Once we have solved a concern, we do not stop there; we try to make it better and better.

Those are the principles that guide us when providing care for our Veterans/Members.
On behalf of the Veterans/Members, we sincerely thank the following for their generous donations.

TWIG REMEMBERS...Anson “Bill” Kipp

What an experience! He had all of these nice relatives visiting. There was at least four each day. I got to know every one of them. They would swap tales of the good old days. And then they would converse and discuss. You know it was right where the old Stewarts was, and then Bill would inform them on what was in that spot in 1947.

I’m from Rutland so I don’t know much about this area. Well it’s about one hour away if you use Rt. 7. I was getting a bit familiarized with Bennington and the surrounding towns. Bill was a good old-fashioned gent. We had a lot of fun and helped each other out quite often.

God bless Kipper. That’s what they all called him, and they all loved him. One of his LNA’s called him her Little Love Muffin. Another LNA not only resembled Aretha Franklin but she too had the voice of an angel. She would put him to sleep with “Yes Jesus loves you, the Bible tells me so.”

Not a doubt in my mind that “The Kipper” will truly be missed around this facility. Twig

TWIG REMEMBERS...Judy & John Reed

The cleanup committee has no idea what a little square piece of paper with 80 names means to a writer. I remember some, like this one.

Judy & John Reed, sweethearts since high school. Judy, well how do I explain – just say it. She was easy to look at and she had a nice little shape. She was a captain of cheerleaders, all the way through. She was also Class Salutatorian, and this allowed for the many jobs she held in town (one was Town Treasurer). She also handled the monies for the family swimming pool cleaning business.

Big John, what an athlete. One of the best first basemen, a great power forward and a great wide receiver (and long hands).

John was the foreman in metal stamping when I worked at Telescope Folding Furniture. We waited tables together at the Hampton Manor. We sent him home with a bad stomach and that was his last night there. Judy put down the law.

It would be hard to find a couple who put more time in working with F.H. kids than these two. Thirty years guiding their own. The youngest, Scott, is still tops in goals in soccer and still in top ten scorers in basketball and he was first string all league shortstop too.

How about 57 years married to the same person.

God bless John & Judy Reed. Twig
