

Scheduled PCR testing of Staff and Residents on Jan 6<sup>th</sup> resulting in one positive Veteran. This is the first positive Veteran at VVH since the start of the pandemic. This individual resides in a room by themselves but does share a bathroom with another resident, this resident's PCR test was negative. VVH has been in close contact with the Vermont Department of Health and the Department of Disabilities, Aging and Independent Living.

VVH will be conducting PCR testing for all residents and staff on the impacted unit. At this time there are no known close contacts with other residents. Updates will be provided at our daily Zoom update today at 5pm.
