

Positive Unit Visitor Guidelines

December 28, 2021

1. All visitors must pass the usual COVID screening process.
2. Facial coverings are to be worn at all times regardless of vaccination status and location.
3. Frequent hand hygiene using alcohol-based hand sanitizer is recommended
4. Visits must take place in the Veteran's/Member's room or outside.
5. Visitors are prohibited from entering common areas such as dining rooms, activity rooms and congregating by the nurse's station.
6. Eating and drinking during a visit should be avoided.
7. Maintain social distancing for the duration of your visit.

PLEASE NOTE THAT VISITING WHILE WE HAVE ACTIVE COVID CASES HAS INHERENT RISKS. EVEN IF YOU FOLLOW ALL INFECTION CONTROL GUIDELINES THERE REMAINS A POSSIBILITY YOU MAY BE INFECTED WITH COVID-19.

IF YOUR PHYSICIAN HAS INDICATED YOU ARE HIGH RISK FOR COVID-19 OR ARE IMMUNOCOMPROMISED WE STRONGLY DISCOURAGE YOU FROM VISITING DURING THIS OUTBREAK PERIOD
