

VERMONT VETERANS' HOME

To our Veterans and their Family Members,

For more than 130 years, the Vermont Veterans' Home has been providing the highest quality of care to our Veterans, their spouses, and Gold Star Parents. Our commitment is evidenced by our nationally accredited dementia care program, Freedom Village, and our internationally recognized Namaste Program. In addition, we offer short term rehabilitation, long term and respite care as well as offering outpatient rehabilitation.

At the Vermont Veterans' Home, we recognize the sacrifices our Veterans have made for our Country. I understand these sacrifices first hand having members of my family serving in the military since World War II and being a Navy wife for 20 years.

Our motto, "Fulfilling the Promise," is accomplished through our mission "to provide a healthcare community for Veterans, their spouses and Gold Star Parents in an environment that allows residents to achieve their self-determined quality of life."

On behalf of the Veterans and staff at the Vermont Veterans' Home, I invite you to experience the fulfillment of this promise.

Sincerely,

Melissa A. Jackson, BSW, LNHA
CEO / Administrator

INSURANCE AND MEDICARE/MEDICAID COVERAGE

Medicare pays 100% for days 1-20 if the person has had a qualifying hospital stay and requires skilled care.

Daily co-pay for Medicare days 21-100 for those who continue to require skilled care is **\$170.50**.

Check with your insurance as Medigap or similar insurances may cover the co-pay.

Not all medications are covered by Medicaid and we highly recommend obtaining Medicaid Part B for Veterans and residents.

If applying for Medicaid for the co-pay and/or long-term care, the application should be filed at the time of admission. If you need assistance with New York or Vermont applications, you may contact your local Medicaid office or our business office at 802.447.6518.

Medications are included in the rate for residents covered by both Medicare or Medicaid Part B. Medications are not included for other forms of payment. Check with your insurance to see if your policy covers medications.

Rates are effective March 1, 2016.

Note: Rates and co-pay charges are subject to change at any time with 30 day notice.
